Our Pillars. Our Strength.

A foundation cannot be thought of without powerful pillars.
Such great guiding forces at DOMS have been:

Late Shri. Rasikbhai Raveshia

Late Shri. Mansukhlal Rajani

We extend our deepest gratitude for the visionary leadership and enduring passion of our founders, whose pioneering spirit has shaped our company into the thriving organisation it is today. Their bold vision, relentless drive and resolute focus have established the groundwork for our achievements, inspiring generations to pursue excellence.

Starting with a modest facility, they aimed for distinction in every aspect of the business from the very beginning. As true visionaries and technocrats, they brought exceptional expertise to the manufacturing process. Their emphasis on innovation, paired with their dynamic personalities and sound governance has directed the course of DOMS.

Our founders possessed remarkable foresight in selecting an industry primed for growth and transformation. DOMS is forever indebted to their contributions and strive to honour their legacy by pushing boundaries, exploring new frontiers and making a meaningful impact.

Today, as we look to the future, we draw strength from the foundation laid by our founders. The legacy of our founders serves as a constant source of motivation, reminding us of the power of innovation, perseverance and collaboration. At the same time, we always aim to remain rooted in the core values and principles that our founders instilled.

Thank you to our founders
for your enduring legacy, which inspires us every day to reach new heights!

Those loved can never be more than a thought away...
For, as long as there are memories, they will live in our hearts!

Etched in Our Hearts Forever...

**Late Shri. Amarjeet Sharma
